WHAT WE DO

Custom Implementation

We will review your hygiene Soft Tissue Management Protocol. We will help you discover hidden opportunities in your current system. This is for new graduates and experienced clinical professionals

Team Approach - Many uses of Team

We will review your current system with your team and help establish basic guidelines for your team. From business team members to clinical team members a comprehensive view of your Soft Tissue Management program is a unique, specialized system that requires knowledge and implementation.

Onsite Visits and Remote Coaching

Our coaches will visit your practice and spend time in the practice observing, coaching and reviewing systems with a hands on team meeting. This will provide your team a customized approach for your hygiene department. You and your team will receive remote coaching and communication monthly.

The Team at Practice Dynamics is excited to work with you and your team in your long term practice success and growth.

Welcome to Hygiene Dynamics Coaching.

WHO WE ARE

Heidi.dubois@practicedynamics.net

Amber.Weber@practicedynamics.net

We fell in love with the dental industry many years ago and believe in our ability to drive success. It is the mission of **Practice Dynamics** to provide a progressive and modern coaching experience with a focus on **Systems, Teams, and Technology**. We commit to deliver quality seminars and team meetings with supportive products. Our ultimate goal is to provide **Balance Driven Success** in a dynamic environment for the clients we serve. With our team, we provide industry-leading expertise, innovative tools, and a superior effort to solve our clients' most difficult strategic and tactical business challenges. We develop and deploy leading-edge technical and management tools and services that assure our clients' success. Our first responsibility is to our clients; we will consistently exceed their expectations.
